*Lilliputian:* Arggghhhh! Who are you? You're taller than a tower! Are you an ogre?

*Gulliver:* Ah, ah! No I'm not! But you are so small! Are you really a human?

*Lilliputian:* Of course I am! But... how can you walk with feet bigger than boats?

*Gulliver:* You silly twit! And how can YOU run with legs shorter and thinner than a little finger! Are you a dwarf?

*Lilliputian:* A dwarf! I'm not a dwarf! You must be kidding! That's enough! I challenge you to a duel!

*Gulliver:* Ah, ah! Poor thing! You are nuts! A mouse is scarier than you!
