Remember – A selfie trail

• page 84

I'm in London!

Girl: [*bruits de voitures, circulation*] Wow! Big Ben! Quick, a selfie! [*clic d'appareil photo*]

Great! Erm, excuse me Sir...

Man: Yes? Can I help you?

Girl: Er, this is Big Ben right? How can I go from here to the Shard? I want to take another selfie there...

Man: The Shard? Let me show you on the map. You can take the bus, or go by tube and change at Waterloo... But, it's quite far, you know. Take a taxi, honestly that's the best way!

Girl: Thank you, sir.

Man: You're welcome!

Girl: Er... and then how do I get from there to Tower Bridge, please?

Man: You mean from the Shard ... very easy young girl, you can walk along the Thames!

Girl: Thank you very much sir, have a nice day.
