Yum-yum!

[Bruit de porte qui s'ouvre, bruits de couverts.]

Sarah: Good morning Jamie!...

Jamie: Hi Sarah. Come and have breakfast.

Sarah: Oh yes, today's Sunday! I love my Sunday breakfast because it's nice and different. I just hate having a quick piece of toast on schooldays!

Jamie: I'm fond of my Sunday breakfast too! I really like a fried egg with a slice of crispy bacon.

Sarah: Well, not for me! I find bacon very salty... But what's this smell, not breakfast, is it?

Jamie: No, Dad's preparing chicken curry with rice for lunch!

Sarah: Pffff... He knows I don't like curry: it's too spicy for me! Why can't we just go and buy fish and chips?

Jamie: You're so British!
