

UNIT 8 – G'DAY FROM AUSTRALIA

Remember – Welcome to the 'Land Down Under'

• **page 112**

1. Describe a land of extremes

- A lot of bananas and pineapples grow in this state. Where is it?
- Many strange animals are native to Australia: they only live there! Can you name them?
- There are lots of dangerous animals in the Australian oceans. Can you name them?
- There isn't any snow so Santa Claus is water skiing! Where is that?
- It is home to some very colourful fish like Nemo. What is this place called?
- There are no surfers on the ocean because of the big crocodiles. Can you spot the place or give directions?
- Very few families live there because it's hot. What is this place?
