

**2. You'll love my city!**

**Teenagers:** Hi, I'm Madeleine. I'm Reese. Hi, I'm Lucy. Hi, I'm Hayden. My name is Martha. And my name is Tate. My name is Asha.

**Daniel:** Hi, I'm Daniel and I'm ten years old. Here's one of the reasons why I think you should visit my hometown of Sydney. We've got some of the most famous buildings in the entire world. You can see a show, take a tour or even climb up to the top. There are some really amazing attractions. And some great places where you can see everything. [*Whoa! It's really really quiet, it's an amazing view.*] There's great parks everywhere. There's lots to choose from.

**A girl:** The Royal Botanic Gardens Sydney is right beside the city. Pippa and I found a big hill and we roll down it all the way to the bottom. Wow!

**Teenagers:** Welcome to Luna Park!

**Daniel:** This place is one of my favourite places to go. It's awesome.

**A girl:** Our favourite ride is the Roller Rotor. It goes spinning spinning spinning till you're gonna throw up. Wow! *It's Wet and Wild* is like some huge big water adventure park with some utterly epic rides.

**A girl:** Today we went to Manly Waterworks and we had a lot of fun. Catching the ferry is a very nice way to travel. It is fun, and you get to see the bridge, the Opera House, the city, and a view which you can't usually see in a car.

**Daniel:** Sydney's got some of the best beaches

**Two girls:** We love Manly! We went to the beach and we had a surf lesson. You're never gonna be good if you don't get some help.

**A boy:** The Tasmanian devils... that was cool. They're my favourite animals.

**Daniel:** Did you know there are many animals that are native to Australia? [...] Sydney has got the best places to see them. [...] Whatever your interests, I reckon Sydney has something that you will want to try!
