**He's dangerous!**

*Lilliputian 1:* Goodness me! Can you see that beast! What a giant! He's really scary... He's so much bigger than we are! How huge! He's taller than an elephant, his feet are bigger than our towers and even his fingers look stronger than our soldiers.

*Lilliputian 2:* Are you joking? He's much more impressive than an elephant! We probably look smaller than mice for him... Do you think he's dangerous?

*Lilliputian 1:* Of course he is!!! He looks angrier than a lion! Oh my God! What can we do?
