[Voix d'enfants dans un parc, en extérieur, cris de joie, bruits de sacs plastique.]

Kitty: Hi, I'm Kitty from Saint Martin's school. Today is Clean for the Queen day! I enjoy cleaning with my friends! I just hate seeing litter in the park! You see, lots of animals can eat it! Why don't people just put it in the bin?

Joe: My name is Joe and I'm from Saint Martin's school! And I really don't like people leaving rubbish in the park, 'cause it's just not good. Honestly! And I like playing in a clean park!

Kitty and Joe: Keep our park clean!
