Go Further – Alone in the dark

• page 74

Warning: haunted house!

Team: Where are you now? What can you see?

Ghost hunter: I'm in the hall. There's a door in front of me. It's the cellar. It's very dark.

[bruits de pas et de parquet qui grince] I'm going into the living-room now. I can't see anything. There are stairs on the right. *[bruits de pas qui montent un escalier et marches qui craquent]* I'm climbing up to the first floor. I'm walking along a corridor. I think I can see shadows: they are going into one of the bedrooms. *[bruit de porte qui s'ouvre]* I'm filming them but they're running away from me.

Team: Look around you. Can you still see the shadows?

Ghost hunter: No. I'm going back to the the ground floor. *[bruits de pas qui descendent un escalier]* I'm entering the dining-room. I think one of the chairs is moving... *[ton de panique]*

Team: We can't hear you. Neil? Neil? *[inquiets]* What are you doing?
