*[Scène 1. Une jeune fille dans une pièce, derrière une table, regarde une enveloppe devant elle. Elle sourit à la caméra.]*

*Voice over:* Good afternoon Keira! Now then...: open this envelope and discover your mission in London today! *[La jeune fille ouvre l'enveloppe et découvre qu'elle contient une note et de l'argent.]*

*Voice over:* A shopping mission for you today! You've got one hour to buy typical, British souvenirs for your friends and family for less than £50.

*Keira:* Cool! I like this mission. Let's go!

*[Scène 2: La jeune fille, dans un magasin de souvenirs, à Londres.]*

*Shop assistant:* Hello!

*Keira:* Hello! I'm playing the "Mission Shopping" game. I'm in London today, and my mission is to buy typical British souvenirs for my friends and family for less than £50.

*Shop assistant:* Alright! So how many souvenirs do you need?

*Keira:* Well... at least 10 souvenirs. Hum... How much is it for a keyring?

*Shop assistant:* This keyring is £2.50.

*Keira:* And for the bag?

*Shop assistant:* The bag is £42.

*Keira:* Erm, that's too expensive for me!

*Shop assistant:* You can have this tee-shirt for only £6.99 or this mug for only £5.99.

*Keira:* Right, can I have the keyring, and the mug, please?

*Shop assistant:* Of course... how many do you need?

*Keira:* Just one of each please.

*Shop assistant:* Here you are, my love. That's £8.49. And here is your change: £1.50 and that one extra penny. Thank you, goodbye! And good luck with your mission!

*Keira:* Thank you very much! *[Elle regarde sa montre, puis la caméra]* Now, I've got 45 minutes, £41.51 pence to complete my mission! Let's go!
