Kids can cook!

Mother: Pfff... I've got no idea! What am I going to cook for dinner?

Fille: Why don't you leave it to us mummy? We can cook too, you know!

Mother: Fine! What are you going to cook?

Fille: Well... Lets' see what we've got in the fridge. [*bruit de porte de frigo*] I think we're going to use some tomatoes and some chicken.

Mother: Good! What are you going to prepare.

Garçon: Jenny, what do you think....?

Fille: We're going to make some pasta! Have we got any onions?

Mother: Yes, in the cupboard. Do you need anything else?

Garçon: Just some oil...

Mother: Here it is.

Fille: Now, go and relax on the sofa, We're the chefs and we're going to cook the best pasta ever!

Mother: Cool...! Now, I'm going to have a rest!
