1. Jacksgap's weird skills

Hel-loooo!
Hi there!
So… In my family we have this weird little tradition where by each year my parents will give myself and my brother a weird little quirky present which we'll have to learn.
So for example a few years back my parents gave me a harmonica.
[musique d'harmonica]
I can play the ukulele.
[il chante: and I can play the ukulele…*]*
I can juggle in the daylight.
And I can juggle in the dark.
[il chante: juggling in the dark…*]*
And… I can ride a unicycle.
