2. A crazy family

Malcolm here, you know me... I'm a genius, I've got a high IQ... shame about the family though...

Well first, there's Lois my bossy mother, she's got straight brown hair and a bad temper...

Then, I've got an immature father – his name is Hal, he is tall and quite strong, he has fair hair and well, basically he's just a big kid...

And then... meet Reese – my big brother, he tries hard but he's so stupid! He's the guy with the short spiky hair.

Dewie, my little brother is strange, he's really discreet and shy – we don't hear him much. He's got blond hair and big ears.

Oh yeah, I almost forgot! I've got an older brother, Francis, he's so funny! – Can you spot him in the picture?
