

2. My typical school week at Charles Middle School

Mom: Hey Tyler, how was school?

Tyler: Hey Mom, look! I just got my week's schedule! We start at 7.50 am and we finish at 3 pm every day. We never work after 2 on Fridays! We usually stop for lunch at 11.10. ...

Wow! We have PE, music, science and art twice a week, that's really cool!

Mr Jones teaches math, apparently he's very nice. Anyway, I enjoy math and English. So that's OK. I'm sure I can survive. And my friend Surina is in my class. You know Surina, she goes to school with me and studies art after school.

[pause, et bruit de papier que l'on replie]

I hope we don't get too much homework. I really want to join the cooking club this year! They meet every Tuesday at 3 pm! And there are cooking meetups with families every month. Surina doesn't want to go, she prefers cheerleading! *[amusé]* Typical!
