1. Match what you hear and what you see

[musique mystérieuse]

Welcome to the Wiz Quiz. Listen carefully and name the witch or wizard:

#1. This magician was the headmaster of Hogwarts School. He was tall with a very long beard.

#2. Our second mysterious magician was King Arthur's half-sister. She had long brown hair and an old wooden magic wand. She wasn't exactly a witch or a fairy, she was a bit of both!

#3. Our last character didn't have a wand or a pointed hat. He was a large talking lion. He was terrifying and beautiful. He was the one true king of Narnia.
